CoC Applicant Profile

Introduction

Welcome to the CoC Applicant Profile instructional guide. This resource covers important information about accessing and completing the Collaborative Applicant Profile.

The organization designated by the Continuum of Care (CoC) to submit the CoC Consolidated Application, which includes the CoC Application, CoC Priority Listings, and project applications, is the Collaborative Applicant. A Collaborative Applicant can also request Unified Funding Agency (UFA) designation as part of the CoC Registration process.

Throughout the year, the Collaborative Applicant Profile can be updated by logging in to *e-snaps* and selecting "Applicants" in the left menu bar.

In addition, for the CoC Program Registration process, HUD requires Collaborative Applicants to review the CoC Applicant Profile in *e-snaps*, which entails logging in, putting the CoC Applicant Profile in edit-mode, updating and saving information, and selecting the "Complete" button on the Submission screen. This instructional guide provides the instructions for these steps.

Objectives

By the end of this instructional guide, you will be able to do the following:

- Access *e-snaps*
- Complete the CoC Applicant Profile

Overview of this Instructional Guide

The instructional steps in this guide follow the progression of screens in *e-snaps*:

- **Accessing *e-snaps*.** All *e-snaps* users need usernames and passwords in order to log in to the online *e-snaps* system. In order to see an organization's CoC Applicant Profile, CoC Registration, and the CoC Consolidated Application (consisting of the CoC Application, CoC Priority Listing, and the project applications after they are submitted to the CoC), the *e-snaps* user needs to be associated as a "registrant" with the organization's *e-snaps* account. This section identifies the steps to create user profiles and add/delete registrants.
- **CoC Applicant Profile.** The Collaborative Applicant must update the CoC Applicant Profile during the year as needed (e.g., when contact information changes) and select the "Complete" button. In addition, the Collaborative Applicant is required to review and complete the CoC Applicant Profile during the CoC Registration process. This section provides instructions on how to do so.

CoC Applicant Profile

Accessing *e-snaps*

The CoC Applicant Profile, CoC Registration, and the CoC Consolidated Application with attached project applications are submitted electronically in *e-snaps* during the CoC Program Competition process.

The screenshot shows the 'Front Office Portal' interface. On the left is a navigation menu with options: 'Username:' (with a text input field), 'Password:' (with a text input field), 'Login' (button), 'Forgot your password?', 'Locale: English - United States', 'Browse Funding Opportunities' (with a magnifying glass icon), and 'Create Profile' (with a person icon). A callout box points to the 'Login' button with the text 'Log in here'. Another callout box points to the 'Create Profile' button with the text 'Create a user profile here'. The main content area is titled 'Welcome to e-snaps' and contains several paragraphs of text, including a welcome message, instructions for authorized users, information for non-authorized users, a notice about information collection requirements, and a notice about the public reporting burden. At the bottom of the main content area, there is a 'CoC Registration:' section with the text 'OMB Approval No. 2506-0182 (exp. 04/30/2012)'.

NOTE: *Each e-snaps user must have his or her own log-in credentials. Preferably, each organization will have two people with access to e-snaps—the Primary Contact and one or more additional staff.*

CoC Applicant Profile

Adding and Deleting Registrants

Having a user profile enables a person to access *e-snaps*; however, only people who have been associated with the organization as a registrant (also referred to as a registered user) have the ability to enter information in the CoC Applicant Profile, CoC Registration, and the CoC Consolidated Application associated with the organization.

Anyone who currently has access to an organization's *e-snaps* account (i.e., who can see the organization's CoC Applicant Profile, past Registrations and CoC Consolidated Applications) can add or remove other registrants by following the instructions provided below.

The screenshot shows the 'Front Office' interface. On the left is a navigation menu with options: training, Front Office Portal, Profile, My Account, Change Password, Workspace, Applicants, Funding Opportunity Registrations, Projects, Submissions, and Contact Us. The 'Applicants' menu item is highlighted. The main content area shows 'Applicant: Name of CoC (ST-000)' and a table titled 'Applicants' with columns: Open, Applicant Name, Applicant Number, Number of Projects, and Last Submission. A callout box points to the 'Applicants' menu item with the text 'Select "Applicants"'. Another callout box points to the 'Registrant' icon (a person icon) in the 'Open' column of the table with the text 'Access Registrant screen'.

| 1. | Select "Applicants" on the left menu bar. |
| 2. | On the "Applicants" screen, click the "Registrant" icon. This icon looks like a person and is located to the left of the Applicant Name. |

NOTE *Before anyone can be added as a registrant in e-snaps, the individual must have an e-snaps user profile with a username and password. The username and email address that was used to create the e-snaps user profile will be used when adding the person as a registrant.*

Add a Registrant

The screenshot shows the 'Front Office' interface for a CoC Applicant Profile. The top navigation bar includes 'Logout' and 'Help'. The left sidebar contains menu items: 'training', 'Front Office Portal', 'Profile', 'My Account', 'Change Password', 'Workspace', 'Applicants', 'Funding Opportunity Registrations', 'Projects', and 'Submissions'. The main content area shows 'Applicant: Name of CoC (ST-101)'. Below this is the 'Applicant Details' section with 'Applicant Name: Name of CoC' and 'Applicant Number: ST-101'. A callout box with the text 'Add a Registrant' points to a chain-link icon in the top left corner of the 'Registrants' table. The 'Registrants' table has columns for Name, User Name, Email, and Group. It lists two registrants: 'McGinn, Lena' (User Name: lmcginn, Email: lmcginn@cdfi.com, Group: Administrator) and 'training, training' (User Name: training, Email: training@email.com, Group: Administrator). A 'Back to List' button is located at the bottom of the table.

CoC Applicant Profile

Delete a Registrant

Deleting the user will remove, or dissociate, the user from the Applicant Profile. This person will still be able to access *e-snaps*, but will no longer be able to access the organization's CoC Applicant Profile, CoC Registration, or CoC Consolidated Application.

The screenshot shows the 'Front Office' interface. At the top, there is a navigation bar with 'Logout' and 'Help' buttons. Below this is a sidebar with navigation options: training, Front Office Portal, Profile, My Account, Change Password, Workspace, Applicants, Funding Opportunity Registrations, Projects, and Submissions. CoC Applicant Profile

CoC Applicant Profile

Collaborative Applicants must ensure the CoC Applicant Profile is kept up-to-date. For the CoC Applicant Profile to be complete, the Collaborative Applicant must ensure the data entered in the CoC Applicant Profile is accurate and select the “Complete” button on the Submission Summary screen of the Applicant Profile.

This section provides instructions on gaining access to the Applicant Profile and completing the forms.

NOTE:

If the organization designated as the Collaborative Applicant is also a direct recipient of funds, (e.g., CoC planning funds) the organization MUST have a second Applicant Profile as the Project Applicant.

There is a separate resource for completing the Project Applicant Profile as a Project Applicant. It is posted on the CoC Program Competition Resources webpage at: <https://www.hudexchange.info/resource/2958/instructions-for-updating-the-project-applicant-profile/>.

CoC Applicant Profile

Accessing and Completing the Applicant Profile

Collaborative Applicant e-snaps users will access the CoC Applicant Profile on the "Applicants" screen.

| 4. | Select the "Folder" icon next to the CoC name. |

CoC Applicant Profile

Understanding "edit-mode"

The CoC Applicant Profile can be updated at any time. The e.Form must be placed in "edit-mode" in order to update the Applicant Profile. The CoC Applicant Profile must be marked as "Complete" in order for the updates to register.

One of the requirements for the CoC Registration is the completion of the CoC Applicant Profile. In order to meet this requirement, the "Complete" button must be selected within the timeframe of the registration period.

Therefore, when you login the first time after the CoC Registration period opens, even if there is a statement "This e.Form has been marked as complete," you must put the forms in edit-mode and select the "Complete" button again.

When users access the CoC Applicant Profile, the CoC Applicant Profile may be marked as complete, in which case an "Edit" button will appear on the "Submission Summary" screen, as shown in the screenshot below.

You need to put your Applicant Profile in edit-mode.

Step	Description
1.	Select "Submission Summary" on the left menu bar. <ul style="list-style-type: none">At the bottom of the "Submission Summary" screen, there is an "Edit" button with text below the button stating, "This e.Form has been marked as complete."
2.	Select the "Edit" button. <ul style="list-style-type: none">The "Edit" button and text will disappear and be replaced with a "Complete" button.
3.	Continue with the instructions in the next section of this instructional guide to review the Applicant Profile and select the "Complete" button.

For some *e-snaps* users, the CoC Applicant Profile may already be in "edit-mode," in which case a "Complete" button will appear on the "Submission Summary" screen. You can update the information. Continue with the instructions in the next section of the instructional guide to review the CoC Applicant Profile and select the "Complete" button.

CoC Applicant Profile

Exiting the Applicant Profile

When working in the Applicant Profile, *e-snaps* users can return to the main screen by selecting "Back to Applicants List" at the bottom of the left menu bar. This screen is where Applicants, Funding Opportunity Registration, Projects, and Submissions are located on the left menu bar.

The screenshot displays the e.Forms interface for the Applicant Profile. The top navigation bar includes the e.Forms logo and a Logout button. The left sidebar, under the 'training' header, lists various menu items. The main content area is titled '1. Profile Type' and contains an 'Instructions: [show]' section. Below the instructions, there is a dropdown menu for '* Applicant Profile Type' set to 'Collaborative Applicant'. At the bottom of this section are five buttons: 'Save', 'Save & Back', 'Save & Next', 'Back', and 'Next'. A callout box with a pointer highlights the 'Back to Applicants List' button in the left sidebar.

After the required information has been entered and the required attachments have been uploaded, the Collaborative Applicant must select the "Complete" button on the "Submission Summary" screen.

The "Submission Summary" screen shows the CoC Applicant Profile forms.

In the "Last Updated" column, the system will identify the following:
