Performance Committee

- We are currently in the process of developing performance reports with the Client Track team.
- Once available, these reports will be run monthly, quarterly, and annually.
- The reports will be used to track program performance for street outreach, emergency shelter, rapid rehousing, and permanent supportive housing.
- The PFH website will also be updated with a new performance page that will have dashboards reflecting performance measures for each program.
- While performance reports are being created we may display performance dashboards for data we are able to collect at this time.
