

# CoC and PfH Structure

The Atlanta CoC and Partners for HOME are separate entities that work collaboratively to advance homeless efforts within the City of Atlanta. While the Atlanta CoC has authorized Partners for HOME to provide services on behalf of the CoC, it has final decision-making authority on all matters related to the local CoC.

As a separate entity from the Atlanta CoC, Partners for HOME is governed by a Board of Directors responsible solely for the governance and sustainability of the nonprofit.
