Next Steps

Mitigation

Mitigation implementation needed for closed encampments. Pryor and Dobbs experiencing re-encampment at highest rate. Focus shifted to other major encampments.

Providers

Service Provider capacity needed to scale to 1,500 households served. Able to serve 600 currently, planning to expand for 2024.

Unit Availability

Increase units acquired and applied to, in order to facilitate move-ins concurrent with encampment closure plans.

Documents

Units requiring ID & SS card at minimum with application. Weekly document monitoring with team leads and contract roll-out for documentation-focused provider.
