Introduction

Partners for HOME (PfH), on behalf of the Atlanta Continuum of Care (CoC), releases this Request for Proposal (RFP) for a transportation provider to provide transportation services to individuals experiencing homelessness traveling to warming centers. PfH is a nonprofit organization that serves as the Collaborative Applicant for the Atlanta CoC — a Housing and Urban Development (HUD) program that promotes community-wide commitment to the goal of ending homelessness and provides funding for efforts by nonprofit providers and state and local governments to quickly rehouse people impacted by homelessness. Its mission is to coordinate a comprehensive crisis response system to end homelessness in the City of Atlanta. Warming centers are short-term emergency shelters that activate when temperatures in the City of Atlanta become dangerously inclement for persons experiencing unsheltered homelessness.

Professional Fee

While the Respondent will be asked to provide an estimated lump sum fee for the requested services, final fees will be negotiated following the selection of the Respondent. If fee negotiations with the Respondent determined most qualified are not successful, and/or the fees discussed are outside the budgetary constraints for the project, PfH reserves the right to suspend negotiations with the most qualified Respondent and proceed to other Respondents.

The Respondent will also be expected to provide a summary of assumptions used to determine its fee, including — but not limited to — team, hours and resources required from PfH and services to be included. Services can be outlined in an a la carte menu style to support the lump sum proposal.

Scope of Services

The scope of services to be provided by the selected Respondent will include the following elements:

- Provide transportation services to individuals experiencing homelessness traveling to activated warming centers.

- Provide 6 hours of transportation per activation with an estimated 30 activations remaining for the rest of the winter season.

Evaluation Metrics

PfH will convene an evaluation committee to evaluate each proposal submitted by a Respondent. At the discretion of PfH, follow-up interviews may be conducted with the highest-ranking Respondents prior to the evaluation committee making a final selection.

All responses must include background information about the organization, general liability insurance, and a cost proposal based on the scope of services in a PDF format.

Selection Process

Once the Responses are reviewed, a shortlist will be compiled by PfH. Interviews may be conducted with the Respondent(s) determined to be the most qualified, and additional information may be required at that time. Negotiations will begin with the Respondent(s) selected to be the most suitable.

Selected Respondent(s) must be prepared to enter negotiations for services outlined in this RFP.

Evaluation & Acceptance of Statement of Qualifications

PfH reserves the right to reject any and all responses, to amend the Request for Proposals and the process itself, or to discontinue the process at any time.

All proposals and supporting materials as well as correspondence relating to this RFP become property of PfH when received.
