The Project Application Appeal Process

Introduction

Welcome to the Project Application Appeal Process Navigational Guide. This navigational guide covers important information about completing the Project Application appeal process in *e-snaps* for a recipient whose project application was rejected in the local Continuum of Care (CoC) competition during the FY 2021 CoC funding process. Per 24 CFR 578.35(c), project applicants that believe they were denied the opportunity to participate in the local CoC planning process in a reasonable manner and whose projects were rejected or reallocated by the CoC may appeal these actions directly with HUD by submitting a Solo Applicant project application prior to the application deadline.

Prior to using this navigational guide, all Project Applicants **must** have completed the Project Applicant Profile; submitted a New, Renewal, or YHDP Renewal Project Application to the CoC by the local deadline; and received a rejection from the CoC outside of *e-snaps* (e.g., rejection via email or letter).

The [FY 2021 CoC Program Competition NOFO](#) lists the application deadline. CoCs are to review and approve or reject all Project Applications no later than 15 days prior to the CoC Program Competition application deadline.

Only those organizations that meet these criteria should participate in the appeal process. This year, if the criteria cited above are met, the Project Applicant will have the opportunity to submit a Notice of Intent to Appeal and apply as a Solo Project Applicant directly to HUD through *e-snaps*. In order for a project application to be considered for funding, it must meet this criteria and submit the Solo Applicant appeal project application to HUD prior to the application deadline that is provided in the FY 2021 CoC Program Competition NOFO.

NOTE

Solo Applicant Appeal Project Applications may be for New, Renewal, or YHDP Renewal projects and are completed exactly as the Project Applicant completed the original application in e-snaps prior to its rejection by the CoC.

Have a question?

The *e-snaps* AAQ on HUD Exchange is no longer active. For questions related to the FY21 NOFO or navigating *e-snaps*, send questions to the appropriate HUD.gov email address:

- CoCNOFO@hud.gov for questions about the NOFO, competition, and applications.
- e-snaps@hud.gov for questions about *e-snaps* technical issues, including creating an individual user profile, lockouts/password resets, requesting access to a CoC's or project applicant's *e-snaps* account, navigating *e-snaps*, updating the Applicant Profile, identifying the funding opportunity, creating a project, and accessing the application on the Submissions screen.

Objectives

By the end of this navigational guide, you should be able to submit the Project Application as a Solo Applicant along with the Notice of Intent to Appeal directly to HUD.

Posted Resources

HUD has determined that some CoC and *e-snaps* related resources need to be posted to HUD.gov as HUD's official website, rather than to the HUD Exchange, which focuses on technical resources for communities and grant recipients. FY 2021 NOFO information (e.g., detailed instructions), including the FY 2021 *e-snaps* Navigational Guides, will be published and updated on HUD.gov. Many of the other CoC and *e-snaps* related technical resources will remain on the HUD Exchange.

The Project Application Appeal Process

Overview of this Navigational Guide

This navigational guide focuses on submitting a project application in *e-snaps* to be considered for appeal, which includes submitting the relevant details of a Project Applicant's experience of not being able to participate in the CoC planning process. It provides instructions for the specific screens and forms that identify a New, Renewal, or YHDP Renewal Project Application as an Appeal Project Application. Separate navigational guides on the Project Applicant Profile and New, Renewal, and YHDP Renewal Project Applications are available at:

- https://www.hud.gov/program_offices/comm_planning/coc/competition.

This navigational guide will not review the Project Applicant Profile, registering for a FY 2021 funding opportunity, or the Project Application in its entirety.

Accessing the Project Application to submit an Appeal. This section identifies the steps to accessing the Project Application. As with all Project Applications, the Project Applicant Profile must be complete before the Project Applicant can resubmit a Project Application with a Notice of Intent to Appeal. There is no need to "re-register" for a funding opportunity, but the Project Applicant needs to create a project on the Projects screen to establish the new Project Application on the Submissions screen.

Project Application Appeal Forms. Project Applicants will need to enter all of the project information, even though they had already entered the information in the original submission. The Project Applicant will also identify the project as an appeal. Project Applicants submitting an appeal will be required to complete new forms in addition to the regular Project Application. This section provides instructions for completing the additional screens. After all required information is provided, the Project Applicant will submit the Project Application and Notice of Intent to Appeal directly to HUD via *e-snaps*.

Next Steps. Once the Project Applicant completes the Application Appeal Process according to the instructions provided on screen 8A, the Notice of Intent to Appeal will serve as the HUD-recognized Notice of Intent to Appeal required by 24 CFR 578.35(b)(2). Following the announcement of awards, the Project Applicant must complete the additional steps for the Application Appeal Process as outlined in Section X of the FY 2021 CoC Program Competition NOFO.

The Project Application Appeal Process

Accessing the Appeal Project Application

Accessing the Appeal Project Application requires a similar process as with the original Project Application submission and includes the following:

- Completing the Project Applicant Profile.
- Creating a Project under Projects.
- Opening a Project under Submissions.

Completing the Project Applicant Profile

All Project Applicants must first have completed the Project Applicant Profile, and if the applicant has more than one Applicant Profile, the applicant must select the same profile used to create the original rejected submission.

For detailed instructions, review the Project Applicant Profile Navigational Guide available on HUD.gov at:
<https://files.hudexchange.info/resources/documents/Project-Applicant-Profile-Navigational-Guide.pdf>.

The Project Application Appeal Process

Creating a Project under Projects

After completing the Applicant Profile, Project Applicants can move to the next steps required to access the Application forms that are covered in the New, Renewal, and YHDP Renewal Project Application navigational guides.

There is no need to re-register the appropriate funding opportunity; however, applicants must create a new project using the same name as the original rejected submission.

If the project that was rejected by the CoC was a "New" project, you need to create a new "New" project.

If the project that was rejected or reallocated by the CoC was a "Renewal" project, you need to create a new "Renewal" project.

If the project that was rejected by the CoC was a "YHDP Renewal" project, you need to create a new "YHDP Renewal" project.

Do NOT edit the existing Project Application that was rejected or reallocated.

Opening a Project under Submissions

After creating a project with the same name as the original rejected submission, Project Applicants may enter the Project Application and complete their appeal. You must access the Appeal Project Application forms through the "Submissions" screen.

The Project Application Appeal Process

FY 2021 Project Application Appeal Process

Completing the Project Application Appeal Process forms in *e-snaps* is identical to completing a New, Renewal, and YHDP Renewal Project Application with a few exceptions. This section identifies the steps for completing the Project Detail screen as well as the additional screens required in *e-snaps* for Project Applicants appealing a CoC rejection in the local competition process and applying directly to HUD for funding consideration.

To complete the Project Application Appeal Process, Project Applicants will follow the steps for completing the New or Renewal Project Application as they did in their original submissions.

NOTE:

Some data will populate from the Applicant Profile (i.e., e-snaps will bring it forward).

Review the populated data. *If any information is incorrect, you must correct it in the Project Applicant Profile. Select “Save” at the bottom of the screen after you make each revision. Once you have made all of the necessary corrections to your Applicant Profile, proceed to the “Submission Summary” screen and select “Complete.” When you return to the Project Application, the screen will show the corrected information.*

The Project Application Appeal Process

Accessing the Application on the Submissions screen

Access the Project Application through the "Submissions" screen.

Both the original and the appeal projects will have the same name; therefore, make sure to select the correct project. The newly created Project Application will have the most recent "Created Date" and will be listed as Open. The original rejected submission will be listed as Completed.

The screenshot shows the 'Front Office' interface. The left sidebar has 'Submissions' highlighted. The main area shows filters for 'Applicant Project Name', 'Date Submitted', 'Project Status', 'Submission Version', and 'Associate Type'. A table below lists a submission with a folder icon next to the project name.

| Actions | Project Name Project Number | Funding Opportunity Name Step Name | Start Date | End Date | Associate Type | Version | Date Submitted |

Steps

1. Select "Submissions" on the left menu bar.
2. The "Submissions" screen will appear.
3. Select the "Folder" icon  to the left of the Project Application Name you established. Remember to select the newly created project and not the original rejected project!

The Project Application Appeal Process

8A. Notice of Intent to Appeal

As stated earlier, the Project Applicant who is appealing a CoC's rejection of a Project Application must complete one additional screen, the Notice of Intent to Appeal. This is the formal HUD recognized Notice of Intent to Appeal required by the CoC Program Rule and the FY 2021 CoC Program NOFO.

The following steps provide instructions on how to complete this screen.

The screenshot shows the '8A. Notice of Intent to Appeal' screen in the e.Forms system. The sidebar on the left contains navigation links for 'Renewal Project Application FY2021', 'Applicant Name: City and County of San Francisco', 'Applicant Number: 155440829', 'Project Name: FY2021_Ren_App_Test5', 'Project Number: 137016', 'Renewal Project Application FY2021', 'FY2019 Renewal Detailed Instructions', 'Before Starting', 'Part 1 - Forms', '1A. SF-424 Application Type', '1B. SF-424 Legal Applicant', '1C. SF-424 Application Details', '1D. SF-424 Congressional District(s)', and '1E. SF-424 Compliance'. The main form area contains the following questions:

- 1. Was this project application submitted via e-snaps or independently? (dropdown menu)
- 2. Was the project application submitted by the CoC's local submission deadline? (dropdown menu)
- 3. Provide the reason(s) cited by the CoC for rejecting this project application. (text input field)
- 4. Describe how the CoC did not permit reasonable participation in its local process: (text input field)
- 5. Select the CoC Number and Name where this project resides: CA-501 - San Francisco CoC (dropdown menu)
- 6. Select the CoC Collaborative Applicant Name: (dropdown menu)

Buttons at the bottom include 'Save & Back', 'Save', 'Save & Next', 'Back', and 'Next'. A callout box points to questions 1 and 2, stating: 'See instructional steps for definition of "Independent" and "Rejected"'. A warning message at the top of the form reads: 'This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.'

The Project Application Appeal Process

Submission Without Changes

The "Submission Without Changes" screen appears if the project applicant is submitting an Appeal Project Application for a Renewal project that was rejected or reallocated by the CoC. It functions the same way it does in a Renewal Project Application that is not designated as an Appeal project on screen 3A. Project Detail.

Project applicants who import data from the FY 2020 project for which a renewal project application is being submitted have the opportunity to submit the project application with no changes.

If the project applicant did not import the information, the applicant needs to answer question 1 on the "Submission Without Changes" screen; everything else will be gray-shaded and not editable.

NOTE:

For more information on the Submission Without Changes screen, review the instructions provided in the following:

8B. Submission Summary

This section provides instructions on completing the Submission Summary screen.

Once the required information has been entered and the attachments have been uploaded, select the "Submit" button on the "Submission Summary" screen.

The "Submission Summary" screen shows the Project Application forms. In the "Last Updated" column, the system will identify the following:

- A date if the screen is complete
- "No Input Required" if there is no input required
- "Please Complete" if more information is needed

Users in *e-snaps* can go back to any screen by selecting the screen name on the left menu. Remember to select "Save" after any changes.

NOTE:

The "No Input Required" status on the Submission Summary indicates that additional information for that screen is not required for the applicant to proceed to the next step in the e-snaps system. In the context of this navigational guide, the Project Applicant may proceed to the next steps in the Project Application process. HUD, however, may require the item prior to the awarding of program funds.

The "Submit" button is located at the bottom of the screen under the navigation buttons. The "Submit" button will be active if all parts of the Project Application are complete (and have a date) or state "No Input Required."

The Project Application Appeal Process

Steps

1. Review your Submission Summary screen to determine which Project Application form needs to be completed.
2. Go back to the Project Application or Applicant Profile to update incomplete items. Remember to save your changes.
3. Return to the Submission Summary screen to select the "Submit" button.

What the “Last Updated” column tells you. A date identifies a form with complete information for all required fields. It is the most recent date on which the completed form was saved.

- “Please Complete” identifies a form with information missing in one or more required fields.
- “No Input Required” identifies the screens that are not required for completion by all projects. You are strongly encouraged to double-check these forms to ensure that all appropriate project information is completed.

What the “Notes” section at the bottom of the screen tells you. Notes are not a standard section on the “Submission Summary” screen, so you will not see this section all the time.

- If Notes appear on the screen, they are located under the two-column list and above the navigational buttons.
- The Notes provide information on the errors in the Project Application. Some Notes include a link to the applicable form and error(s).

NOTE:

If you are still unable to submit the Appeal Project Application after following these instructions, please submit a question to the HUD Exchange Ask A Question, at: <https://www.hudexchange.info/get-assistance/my-question/>

- *Select “CoC Program” for policy and regulatory questions.*

The Project Application Appeal Process

Next Steps

Once the FY 2021 funding process application submission deadline has passed, HUD will review all project applications, including any Solo Appeal Applications received by the application submission date. Solo Applicants and CoCs must follow the process outlined in Section X.C of the CoC Program NOFO and submit the required evidence to HUD by the required deadlines. HUD can only consider Solo Appeal Applications once all the required evidence has been submitted.

For additional details regarding the Appeal Project Application process, please review the FY 2021 NOFO on the FY 2021 Continuum of Care (CoC) Program Competition page on HUD.gov:
