

NEW FY21 HUD Special NOFO Local Application

General Information

BEFORE YOU BEGIN

The local process for the FY21 Special NOFO competition will be completed online. Much of the information collected is similar to the annual HUD CoC Program Competition NOFO. The emphasis for the Special NOFO is a focus on unsheltered populations. Serving persons with severe service needs in rural areas is a second priority. The application will ask select questions to understand how you may also address the second priority.

This application must be completed in one-sitting. We estimate it will take 60 minutes to complete the application. The Rank and Review Committee can only score based on the information provided.

For each New Project, an agency must:

1. Submit this application via SurveyMonkey.
2. Email Summer Duperon at sduperon@partnersforhome.org when you have completed this application or if you run into any difficulties. A pdf version for will be emailed to you for your records as confirmation it has been received.
3. Complete all project documentation. This will vary from project to project and will not necessarily be limited to, but should include:
 - Evidence of nonprofit status (if applicable);
 - Most recent independent audit (if applicable);
 - Any audit/monitoring documentation since July 1, 2020;
 - Any other documentation as requested in the review process.

Please know that there may be additional information that is requested either after the release of this application or during the review process. It is expected that if additional information is requested, it will be provided in a timely manner. Any other documentation requested in the review process will be to help clarify your application.

The submission deadline for all SPECIAL NOFO LOCAL COMPETITION applications is September 8, 2022 at 11 a.m. No late applications or attachments will be accepted.
