

PARTNERS FOR HOME

REIMAGINING DOWNTOWN

SERVICE PROVIDER SUPPORT:

Investments in infrastructure and staffing to manage and prevent illegal campings, focusing on Safehouse and Gateway.

RAPID REHOUSING & TRANSITION SERVICES

Rehousing 1,880 households with 30-day turnover for new inflow with partners.

FEEDING STRATEGY

Structured feeding spaces with partners; education campaign for businesses and faith groups on approved feeding practices.

STREET OUTREACH:

Branded outreach workers offering medical, mental, and behavioral resources.

RAPID REHOUSING UNITS:

630 new units for homelessness diversion with permanent support services, prioritizing unsheltered downtown individuals.

COORDINATED ENFORCEMENT:

APD and partners ensure ordinance compliance, utilizing the Diversion Center to ensure quality of life.

PARK & INFRASTRUCTURE RENEWAL:

Woodruff and Hurt Parks to receive security upgrades, cleanup, and activation initiatives with GSU, City, and Chamber.

With an aligned vision and plan and through a coordinated effort with partners, stakeholders and respective teams (outreach, rehousing and enforcement), we will execute a multi-pronged approach to addressing homelessness in downtown in a way that is lasting, dignified, and sustainable. Our phased approach will target prioritized areas and follow scheduled improvement using research-based strategies including:
